MFX-C3400 A3 Colour With A Compact Footprint!

The ultra compact MFP-C3400 delivering A4 and A3 colour flexibility to the workgroup.

Designed for demanding office environments, the Muratec MFX-C3400 combines high quality A3 colour output with flexible multifunction features, allowing you to copy, print, scan and fax, as standard. Yet this flexible functionality comes with a compact footprint, making the MFX-C3400 the smallest A3 colour multifunctional in its class.

For colour production the powerful MFX-C3400 has a 26 page per minute (ppm) print and copy speed, making output of colour documents, such as pictures, reports and training manuals, easy and quick.

For black and white output the MFX-C3400 has a fast 34ppm print speed with duplex (double sided) copy and print included as standard. Routinely duplex printing and copying drastically

reducing paper consumption, saving costs and helping the environment!

The versatile MFX-C3400 is really easy to use thanks to the large backlit touch screen, making it simple to intuitively manage document imaging tasks.
